Directions:

1. Score card base in landscape position (aka longer side) at 4¼. Fold and burnish to create card.
2. Stamp solid leave and detail leaves on white panel in Just Jade. **Note:** I positioned the leaves to be peeking out from the DSP panel. Stamp the flower images on scrap and cut out using paper
3. Attach DSP to left side of the white card panel and layer floral images as shown.
4. Stamp greeting in Just Jade ink and add black speckles with stamp from Forever Fern.
5. I left my inside blank, but you can add a 4 x 5¼ white panel to the inside and decorate as desired.
