Directions

1. Score card base in landscape position (aka longer side) at 4¼. Fold and burnish to create card.
2. Use Water Painters and Pacific Point ink to create water on bottom of white CS panel. **Tip:** I stamp a clear acrylic block in the ink to create a paint pallet. You can also use the re-inkers.
3. Use the Blending Brushes to create the sky with Balmy Blue and Pool Party ink.
4. Next crop water waves using the dies and Pacific Point CS and attach to white panel.
5. Stamp Hippo with Memento Black ink on 3x3 white panel. Use Stampin' Cut n Emboss to crop Hippo w/ coordinating dies and crop desired accessories using Pacific Point CS.
6. Color the Hippo with Stampin' Blend markers, add accessories, and attach to white panel.
7. Use the Stamparatus to add greeting with Memento Black Ink and attach to card front.
8. Add white panel to the inside and decorate as desired.
9. Don't forget to decorate the envelope; it is sure to brighten your postal carrier's day.
