Directions

1. Score card base in landscape position (aka longer side) at 4 1/4 . Fold and burnish to create card.
2. Create your patchwork design using left over In-Color scraps from Sally's In-Color Note Cards. I built my patchwork design on the 3 x 4 panel of Basic White. I found the liquid glue worked best for me.
3. Attach patchwork design to the Boho Blossom panel or whatever color you want to highlight. Now add design to Basis White layer and attach to card front as shown.
4. Stamp greeting w/Basic Gray ink on white panel and attach to Boho Blossom rectangle. Attach greeting to card front using Stampin' Dimensionals.
5. Add Basic White layer to the inside and decorate as desired.
