Directions

1. This is a Dutch Door card fold. [Click Here](#) for a link to a portrait Dutch Door. You will need to adjust the measurements for the above landscape card. You will need to cut the front panel at 2¼" to score line and then cut down along the score line to remove the top panel.
2. Use the Scallop Contour Dies to crop a blue and white rectangle.
3. Stamp greeting on white rectangle.
4. Attach DSP strips to the outside bottom and inside top.
5. Crop various flowers and greenery using the dies in this bundle and attach on the back of the greeting.
6. Attach greeting and florals to the Starry Sky CS rectangle and then to the card front. **NOTE:** Be sure to only add glue to the bottom portion of the Starry Sky rectangle and adhere it to the front panel.
7. Add Basic White panels to the inside and decorate as desired.
